We like dogs - we have our own. Please help us to keep dog friendly by observing a few simple points:

- Don't leave your dog behind when you go out.
- Don't let your dog into the bedrooms.
- Don't let your dog onto any of the furniture.
- Please make sure your dog is always under full control, on a lead, when within our grounds and also outside if sheep are loose.
- Please always clean up after your dog.
- Please clean indoors before you leave.
- Dogs invariably create extra work for our cleaners, and we have to charge an additional £10 per dog to cover this.
